

RENTAL POLICY

I Said Jimmy, LLC is a one ton lighting package owned and operated by Dallas gaffer Jim Fischer. A customer may rent the truck and use him as your gaffer, or you may use your own. Jim will also work as a grip or electrician / driver if available. Outside drivers must be approved by I Said Jimmy grip and electric

All gaffers, grips, and drivers bill as individuals and are not part of the truck and equipment rental.

- Customer must have proof of insurance on file 24 hours prior to rental.
- Customer must confirm rental 48 hours prior to rental.
- Customer must provide Credit Card information for billing.
- Customer must sign rental policy agreement 24 hours prior to rental.
- Customer needs to sign and have on file a Sales Tax Exemption form.
- Customer is charged .95 per mile portal to portal for the grip truck

{Texas tax code Section 151.3185 states that equipment rented and used directly in the production of a motion picture or video is exempt from sales tax.} The law also requires us to have a signed original on file. You may not need a Texas Sales Tax number.

Equipment package rented per day basis with a minimum of one day. Out of state customers must pay the rental bill at the end of the job. First time customers must pay rental bill at the end of job. Customers with established credit, rental is due net 30 days.

I _____ of _____, have read and understand all items in the rental policy. In addition, agree to pay for all loss, damage, and rental loss due to equipment damage or loss. This begins when truck leaves home facility, use of equipment, and return to home facility. This includes negligence by all parties employed or connected with customer. Customer assumes all responsibility for safe keeping and return of rental equipment.
