

TERMS

- Reserved equipment is considered a first hold only, equipment must be booked 48 hours prior to the job. Cancellation within the 48hrs of booked equipment will result in a rental charge.
- Before the truck can depart to the job a proof of insurance needs to be on file 24hrs prior to the rental
- There is a 95¢ per mile fuel charge portal to portal.
- New customers must provide credit card information for billing. See Rental Policy Document
- New customers must sign rental policy agreement 24 hrs prior to the job
- New customers needs to sign and have on file a Sales Tax Exemption form
- Out of State customers must pay rental and Gaffer service bill at the end of the job.

(Texas tax code Section 151.3185 states that equipment rented and used directly in the production of a motion picture or video is exempt from sales tax.) The law also requires us to have a signed original on file. You may not need a Texas Sales Tax number.)
